Microfibre cloth

■ Properties

15 LEATHER CREAM is a nourishing and emollient balm destined for the softening and treatment of with **14 LEATHER CLEANER** cleaned leather.

15 LEATHER CREAM gives the leather its original smooth-touch back, the touch that makes leather irresistible and to make people «feel good» in the car.

15 LEATHER CREAM conforms to EEC regulations.

■ Directions for use

Cleanup first: ideally clean the leather with **14 LEATHER CLEANER** before nourishing it with the cream.

Apply **15 LEATHER CREAM** softly with a smooth cloth. Let penetrate and dry, finally wipe off with a clean cloth for glazing.

15 LEATHER CREAM is suitable for all types of leather and is not greasy.

For more detailed information please consult our technical support.

■ Precautions for use

Respect the usual precautionary measures for handling chemicals: wearing gloves, goggles and protective clothing. **For more detailed information please consult the safety material data sheet of this product.**
